

We are moving all of our Guests into a new system and will be more user-friendly. Guests will have a portal to return to which will hold emails we have send them and allow them to see balance of charges and damages if they need to.

The 1<sup>st</sup> part is approval. This will the same information we have collected from our current web form. Housing will cross reference to make sure that all interested guests receive information to get registered in the new system.

Guests should make the accounts themselves. We will use the information to confirm details with companies. Guests can start by going to the link below.

<https://uwm.starrezhousing.com/StarRezPortalXConference>

Guests will click Guest Housing and Intern Housing

**Home**

Guests will then click Register Here. When guests register they will fill in the required fields and create a password for their account. The guests' email and password will be used when the intern logs in in the future. After the guests completes this it will return them to the opening page, but will show they are logged into the system now. Guests can see where they will see they are logged in below.

Hi Josh Test!

Now that the guest is logged in the guest will be able to click on the guest Housing link again, but this time it will take them to a screen where they will see a drop down. The guest should select Other and then continue; the next page will then ask for Department/company. Please enter Dairyland It will also ask the guest to upload a file. This year we will accept official letters or proof of registration as well as emails from the Dairyland that will help us confirm.

**We are the first stop for any guest reservations in University Housing.**

It is our pleasure to bring you the best value options when it comes to overnight stays, summer intern housing, conferences, conventions and camps.

Please fill out the information below so that we can verify your eligibility to stay with us. After we are able to confirm, you will be notified to log back in and book your space.

Reason for Stay

Internship

**Save & Continue**
