Announcements:

Welcome to the 2025 Tour of America's Dairyland!

The Race Staff and USAC Officials are working hard to make the 16th year of this event to be the best yet!

Here are a few things to direct your attention to before we begin:

1. Riders are responsible for knowing the contents of the Technical Guide before the start of the event.
2. The Lowlands Lion Prime Sprint competition and Reign Storm Sprint competition points will be awarded to the entire field. The first three riders across the line in each field, regardless of Omnium category, will score points.
3. Race Staff asks that all riders please be courteous to the local communities. Please walk your bike in congested areas.
4. In Janesville, the Transit Center area (River Street from Court to Racine) can be congested as it is a key route for transit due to the detour for the course. Please share the road!
5. Racer parking in Janesville: The City of Janesville requests we do not park on the following streets: North Franklin Street between West Centerway & West Milwaukee Streets; North Jackson Street between West Wall and West Milwaukee Streets; West Wall Street between North Jackson and North River Streets; South Franklin and South River Streets between West Court and West Van Buren Streets. Please park vehicles with trailers in one of the public parking lots and avoid parking on the street.

6. Do not trim, fold or otherwise deface your racing number. Numbers are to be worn on the outside of clothing and may not be placed inside of pockets or behind any material that reduces their visibility. [USAC Rule 1J7 (b)]
7. Officials may be contacted by email at:
